PROFESSIONAL SUMMARY

Data Analyst and Machine Learning Engineer with hands-on experience in data-driven decision making, predictive modeling, and project execution. Skilled in analytical problem-solving, statistical modeling, and building scalable ML solutions. Seeking to contribute to high-impact teams through strong analytical thinking and engineering rigor.

EXPERIENCE

SMEC LAB

Kochi, India

Data Analyst

June 2025 – Present

- Analyzed structured and unstructured datasets to generate actionable insights improving operational efficiency by 20%.
- Built dashboards and automated reports to track KPIs and business metrics.
- Performed data cleaning, transformation, and visualization using Python and SQL.
- Collaborated cross-functionally to support data-driven strategic decisions.

NexGen Tech Solutions

India

Machine Learning Engineer

January 2025 – Present

- Designed and deployed machine learning models for predictive analytics and classification tasks.
- Improved model accuracy by 15% through feature engineering and hyperparameter tuning.
- Implemented end-to-end ML pipelines including data preprocessing, model training, and evaluation.
- Worked with stakeholders to translate business problems into scalable ML solutions.

PROJECTS

Predictive Analytics System

- Developed a predictive model using regression and classification algorithms.
- Achieved 90%+ model accuracy through optimization and cross-validation.
- Visualized insights using Matplotlib and interactive dashboards.

Data Insights Dashboard

- Built automated dashboards to track business KPIs.
- Reduced manual reporting time by 40%.

TECHNICAL SKILLS

Programming:	Python, SQL
Data Analysis:	Pandas, NumPy, Excel, Data Visualization
Machine Learning:	Scikit-learn, Regression, Classification, Model Evaluation
Tools:	Git, Jupyter Notebook, Power BI
Core Skills:	Analytical Thinking, Problem Solving, Statistical Analysis, Project Management

EDUCATION

Bachelor of Technology [B.Tech] – Artificial Intelligence and Data Science

Dhanalakshmi Srinivasan Engineering College

Affiliated to Anna University, Chennai

Graduating 2027
